We Want to Meet the Person Behind the Form

iTravel journeys are intentionally small. The group experience matters. A short video helps us understand who you are, why you want to join, and whether the journey is a strong fit.

Application Process

1. Complete the written application.
2. Upload your short video or select the send-it-later option.
3. We review the application and video.
4. Some applicants may be invited to a short conversation.
5. Accepted travelers receive deposit instructions.
6. A deposit secures the place, followed by the published payment schedule.

Your Video

Record a simple 60-90 second video. A smartphone recording is completely acceptable. No special equipment or editing is required.

Please include:

- Your name and where you are from
- Why you want to travel with iTravel for Culture
- What cultural travel means to you
- What excites you about the selected journey
- One interesting thing about yourself

Technical guidance:

- Preferred formats: MP4 or MOV
- Recommended maximum file size: 500 MB
- Record in a quiet place when possible
- Speak clearly and be yourself

This Is Not an Audition

We are interested in the person, not production quality.

What Happens After Submission

You will receive confirmation that your application was received. Review timing varies. Some applicants may be contacted for additional information or a short conversation before a decision is made.
